Financial Closing: April 2008

Construction Period: 2008 to 2010

Start of Operation: August 2010

Concession Period: 55 years

PROJECT DESCRIPTION

Operation of the 15 km motorway section from Argentan Sud to Sées as well as financing, design, construction and operation of an additional 30 km section from Falaise Ouest south of Caen to Argentan Sud. The junction with the A28 is made at Sées. The A88 motorway section from Falaise Ouest to Sées is the last link connecting Caen to Alençon with a dual carriageway motorway and more widely the region of Lower Normandy with France's central and southern motorway network

Total project cost : €280 m

ROLE OF EGIS PROJECTS/EGIS ROAD OPERATION

Project sponsor and shareholder of the Concession Company

Prime contractor for all Fixed Operating Equipment (toll system, traffic management and communication systems)

Sole shareholder of the special purpose operation and maintenance company and technical assistance provider
